

The GEEF Global Award 2025

About GEEF

The GEEF focusing innovative, technology and networking opportunities for the benefit of industries and individuals globally. GEEF support leaders to sustainable transformation to deliver performance improvements and benefits for their key stakeholders. GEEF provide organisations and individuals to examine where they are and to help put a spotlight on where action is required. By becoming a successful partner to organisations around the global. GEEF will work towards bringing governmental, industry, academic and research institutions from across the world on a single platform to address the issues related to modern healthcare, sustainable development, environment and provide a forum where participants showcase their achievements and voice their views and thoughts. Create Knowledge Transfer Networks and also distribute publications for various target groups to support the dissemination of information related to new technologies & innovation. GEEF advise and give feedback to governments, international agencies and organizations to policies, safe practices for their implementation and sustainable worldwide. We stand to welcome associations, collaborations and partnerships to make united effort to ensure that we leave behind a better health for All – leaving no one behind.

THE GLOBAL AWARD

The objective of the Global Award is to recognise outstanding organisations worldwide, whether public, private, large, medium, small healthcare industrial / service sector companies / organizations / startups / medical units / projects and their team. These organisations encourage & motivate to adopt best practices and become role model for others to emulate and implementation of strategies for improvement in operation standards. It gives morale boost to management, concerned team, employees and all stakeholders. The Global Healthcare Award is supported by one of the most challenging assessment processes, to assess organisations for good practices.

Selection Process

The Global Healthcare Awards shortlisting process is the procedure by which the pool of nominations submitted in the open nomination phase are examined by the eminent panel of independent experts, who shortlist the entries and compile them into award categories. Shortlisting begins after nominations have closed. All the shortlisted entries received for Global Healthcare Awards will be scrutinized by an eminent jury consisting of independent experts and award winners are finalized in each category. Decisions of the eminent jury are final and will be binding on all applicants.
